

1. Appendix

When completing the public scholarship application, you must fill in 4 fields, this appendix will help you with this..

1. Scope of activity: One of the following 3 categories must be selected here:
 - i. TTK HÖK official
 - ii. TTK DÖK president
 - iii. Students who are outstanding in the public life of the faculty and who perform public activities that go beyond the curricular requirements
2. Duration of activity: Here, the day and time of the event, and in the case of an official, the month (in the form of 202X. y month) for which the scholarship is being applied for must be indicated.

E.g.: In the case of Researchers' Night, September 24, 2025.
For an official, e.g. December 2025.
3. Activity name: Here you must describe the role the student held at the given event, and if the student was an official, the name of the position must be indicated.

E.g.: Standing at the Researchers' Night registration desk.
E.g. As an official, TTK HÖK XY field coordinator.
4. Activity details: Here you need to detail in at least 1-2 sentences what the activity was that the student did and how many hours they did it.

E.g.: I stood at the registration desk at the Researchers' Night from 3-7 pm (4 hours), then helped with the packing after the event (2 hours).
