**REGULAR SPORTS SCHOLARSHIP
ANNOUNCEMENT AUTUMN SEMESTER OF THE
2026/2027 ACADEMIC YEAR**

The Faculty of Science Scholarship Committee (hereinafter: TTK KÖB) of Eötvös Loránd University (hereinafter: ELTE) announces a call for applications for the **regular sports scholarship** for the autumn semester of the 2026/2027 academic year based on sections 96. § (6), 97. §, 104. §, and 562. § (1) of the ELTE Student Requirements System (hereinafter: HKR), considering section 558. § (2) of the HKR.

1. Objective of the scholarship:

The scholarship aims to support students of the Faculty of Science (hereinafter: the Faculty) who engage in regular sports activities in Olympic sports, sports recognized by a Hungarian professional federation, or registered sports associations and achieve competitive results.

2. Eligible applicants:

Students enrolled in **full-time studies** with an **active student status** at the Faculty can apply for the scholarship as specified in the announcement. The eligible study programs are:

- Bachelor's or Master's programs,
- Undivided programs, or
- Doctoral programs.

Students with guest student status are not eligible for the scholarship!

3. Application place and period:

Applications can be submitted via the Neptun system under the "Administration" menu, in the "Requests" section.

Application period: September 3, 2026, 8:00 AM – September 10, 2026, 4:00 PM

Correction period deadline: September 16, 2026, 4:00 PM!

General rules and information on deficiency correction:

After submitting the application, students can correct deficiencies throughout the entire application and deficiency correction period once they receive their application for correction. Corrections can be made in Neptun under the "Administration" menu, in the "Requests" section, by clicking the "+" sign next to the application in the "Requests returned for correction" tab, and selecting the "Correction" command. Students will see which missing or inadequate documents or data need to be corrected or supplemented.

Only one opportunity is allowed for correction. Once the correction is finalized, the Committee will evaluate the application based on the provided content.

Missing the deadline will result in loss of rights!

4. Additional conditions and methods of application:

Applications can only be submitted for sports achievements obtained between February 11, 2026, and September 10, 2026!

Evaluation will be based on a point system (Appendix 1).

Applicants must complete and upload the TEMPLATE document and indicate the achieved results in the application. If the results are available online, provide the link; if not, a sectoral certification is required. Applications in which the results are not verified using the TEMPLATE document will be rejected by the Commission for formal reasons!

Only applications with competitive results will be supported!

5. Amount of the scholarship:

The Committee will rank the applications based on the point system in the appendix and set a minimum and maximum point limit and a point value. Applications that do not meet the minimum point threshold will be rejected. The amount corresponding to the maximum point limit will also be the maximum monthly award.

6. Results of the application:

Applicants will be notified of the results of their evaluated applications via personal messages in Neptun.

The scholarship is awarded for five months.

Personal data provided during the application process will be handled and processed by the TTK KÖB members and their authorized persons solely for evaluating the application and related tasks. Data handling complies with current regulations. Applicants can contact the National Authority for Data Protection and Freedom of Information or seek judicial remedy concerning data protection.

7. Legal remedy procedure:

An appeal against the decision can be filed within 15 days of the notification (from becoming aware of it), which must be sent to the e-mail address hjb@kancellaria.elte.hu, with the indication "For the Student Redress Committee". The activities of the Student Redress Committee exclusively cover the remedying of legal violations affecting students and decisions contrary to university regulations. As a body acting at second instance, the Student Redress Committee cannot exercise fairness and does not decide on fairness requests. The mandatory content elements of the appeal are: the student's name, Neptun code, address, e-mail address, name of the constituent faculty, and the identifier of the decision against which the student wishes to appeal. The appeal must indicate which provision and which part of the first-instance decision the student objects to. From now on, a precise request must be submitted regarding the extent to which the Committee should change the contested provision or part of the first-instance decision and for what reason. The Student Appeals Committee will communicate its decision to the student through the Neptun Unified Study System, and its decision can be accessed under the Official Entries tab in the Studies menu – Progress menu.

The resolution containing the decision of the TTK KÖB can be found in Neptun, in the application submitted by the student, after being notified of the results of the application.

The awarded grant can only be paid if the applicant's bank account number, tax identification number and place of residence (in Neptun: permanent address) are listed in Neptun. In the absence of any of these data, payment is not possible. If the applicant does not record or correct the data required for payment in Neptun by the third payment attempt, he/she will lose his/her entitlement to the awarded scholarship.

9. Important information on documents:

The TTK KÖB accepts only PDF, JPG, JPEG, and PNG format electronic documents; doc and docx formats are NOT accepted!

Documents requiring signatures and seal are valid only if the signature and the seal verifying authenticity is clearly visible and readable in the electronic document. Multi-page documents are valid only if all pages are uploaded.

Non-Hungarian documents must be accompanied by a Hungarian translation or content summary (even for English documents)!

The size of each uploaded document must not exceed 2 MB.

Attention! Providing false information may lead to disciplinary and/or criminal proceedings!
